William Shakespeare

Act II Scene VII

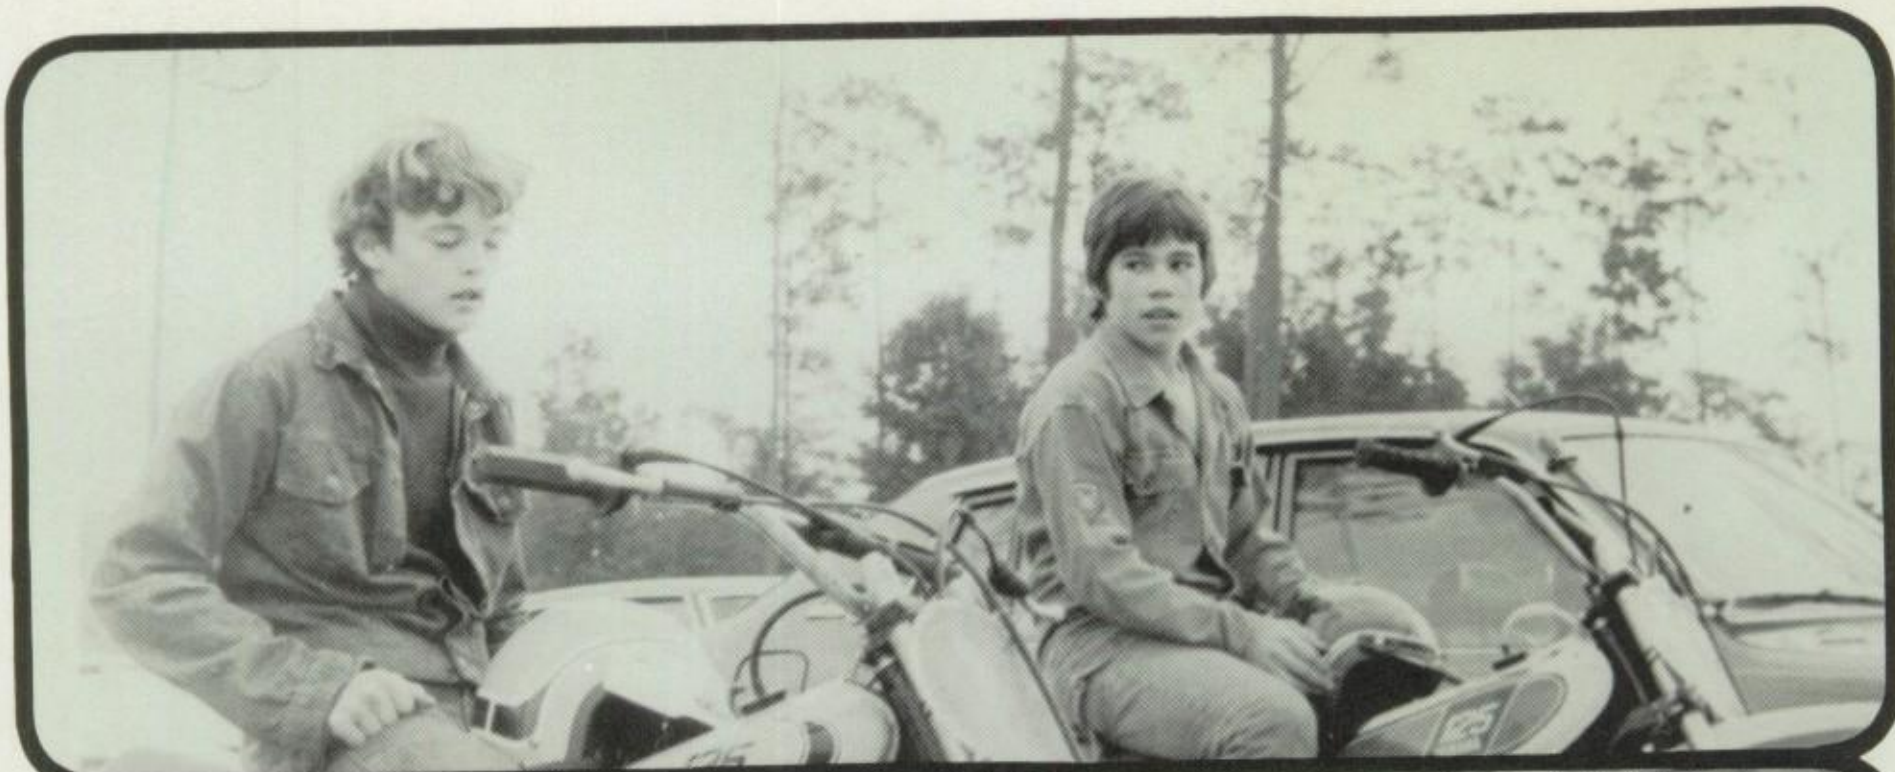

THE INDIVIDUAL

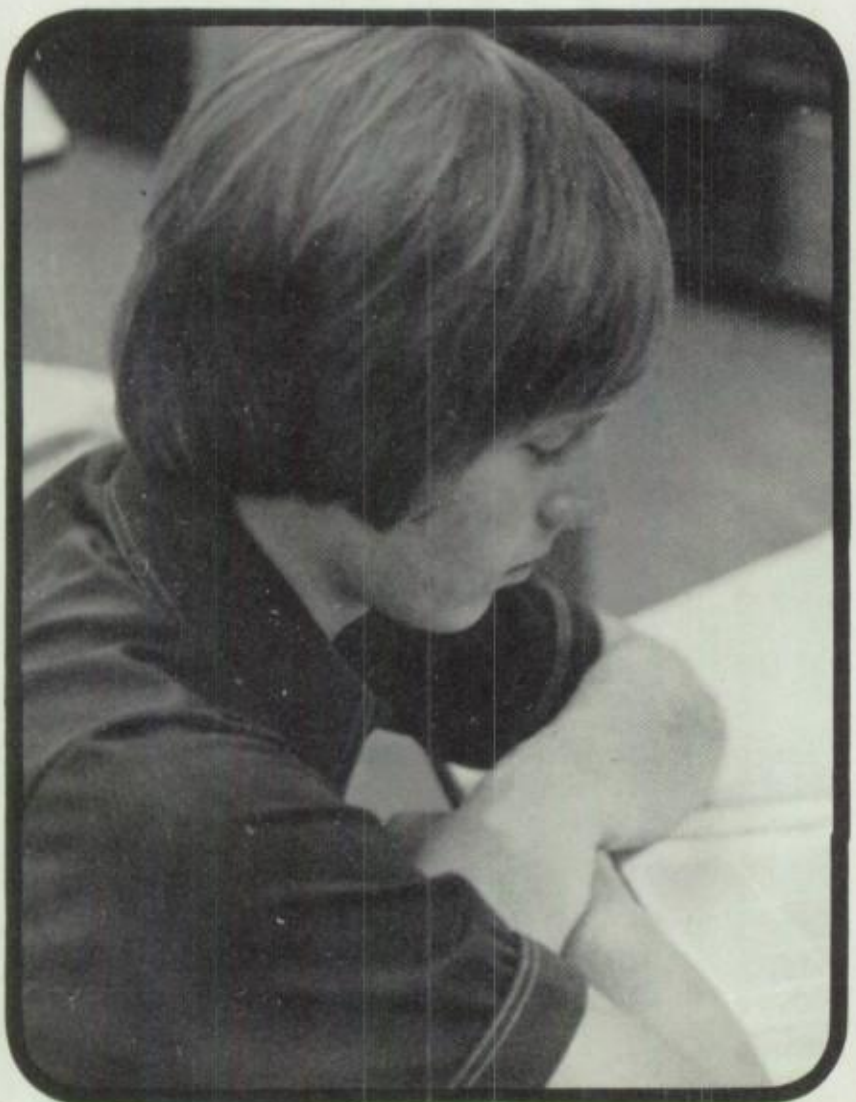

The actor
discovers himself
spot-lighted on

an individual
striving for
recognition.

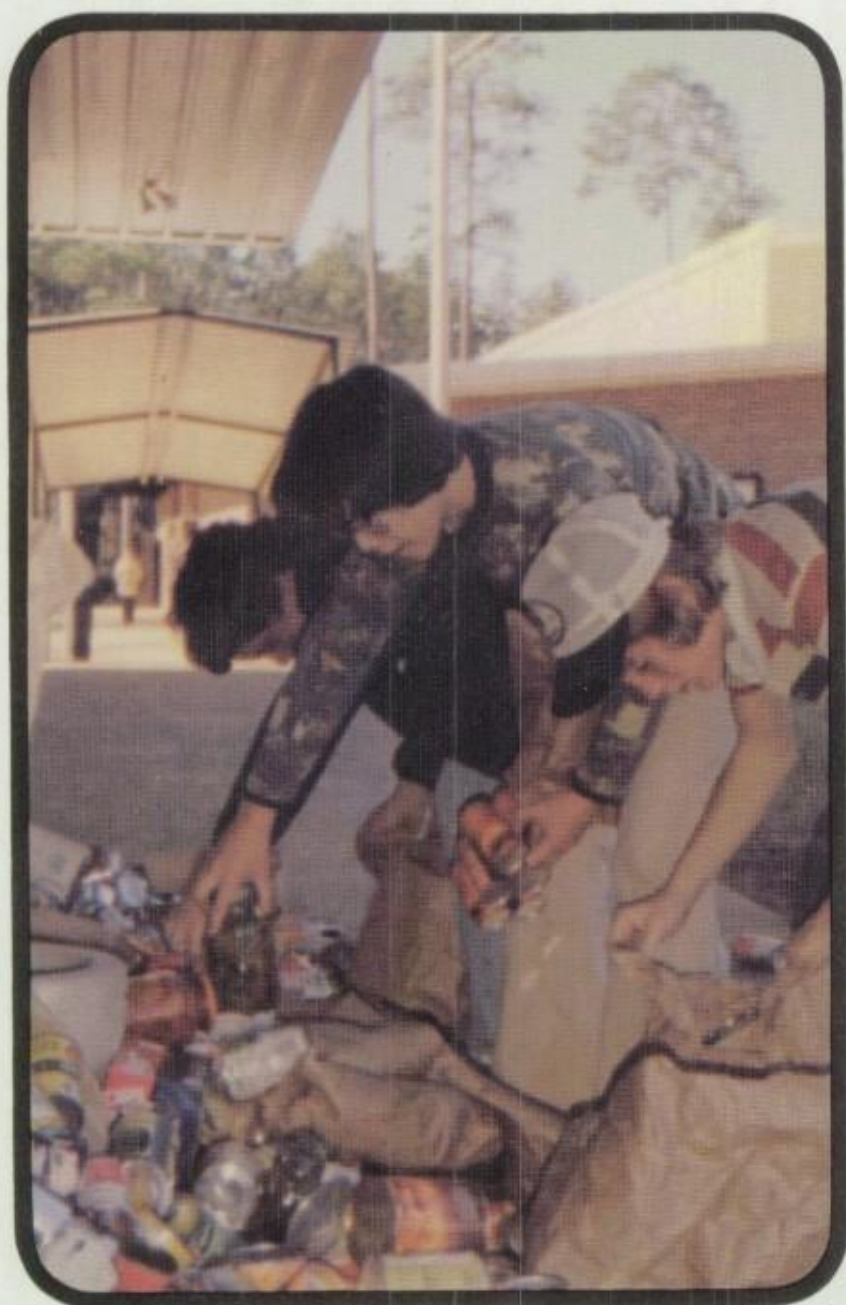

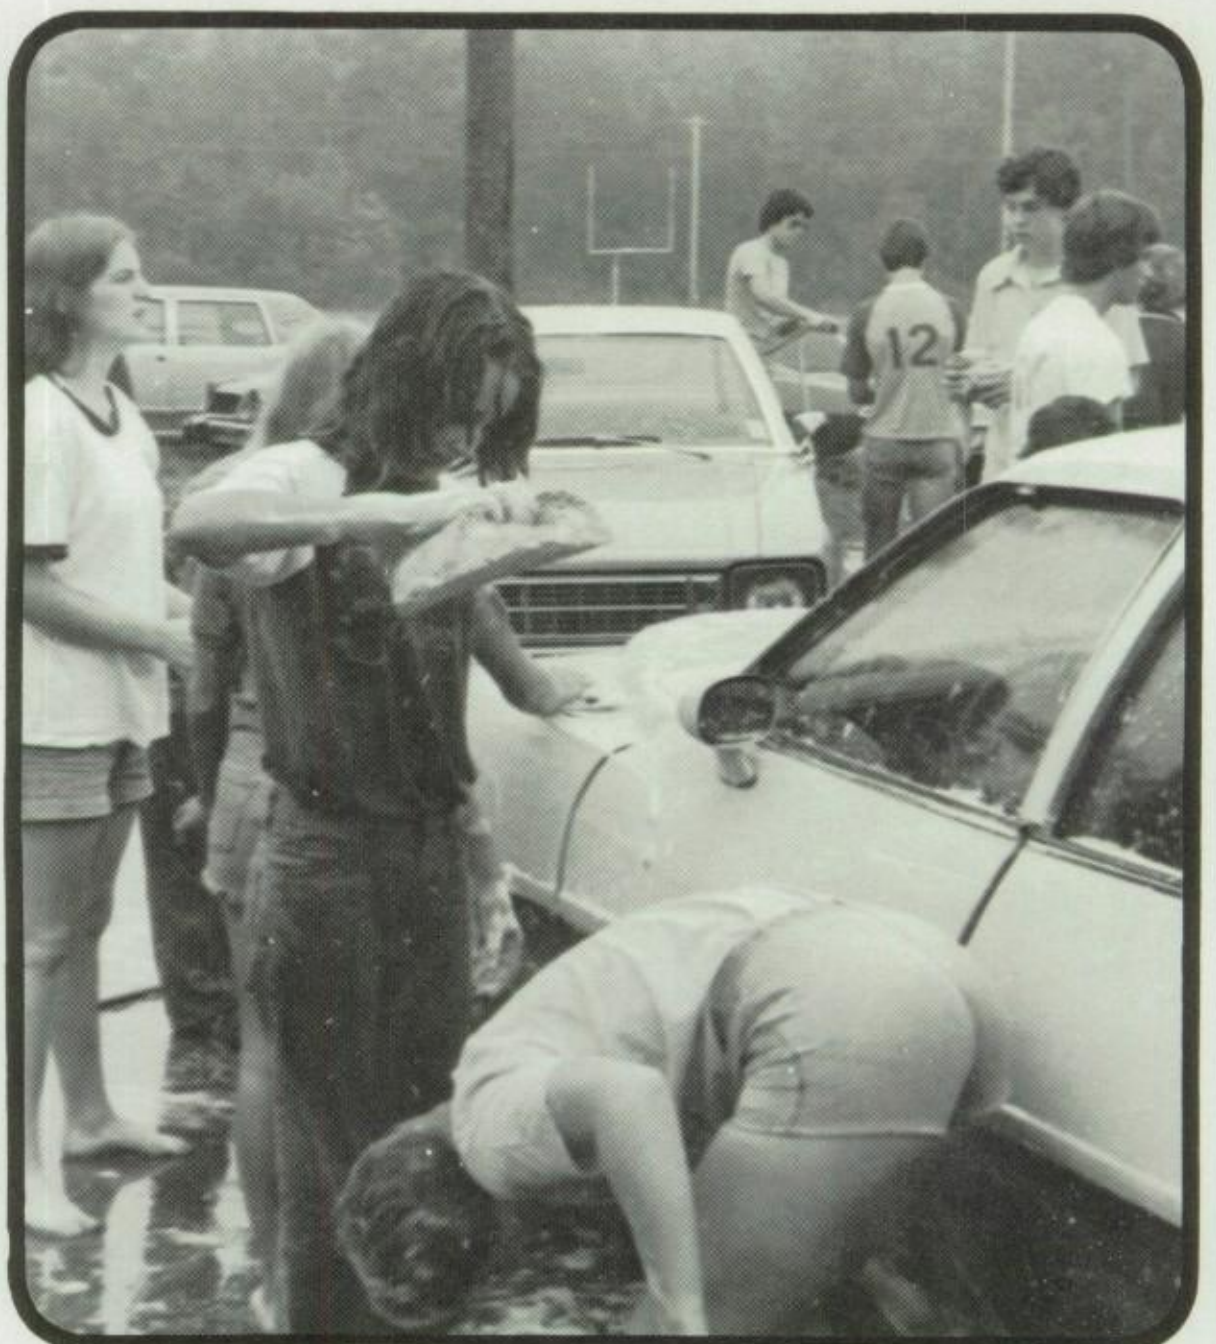

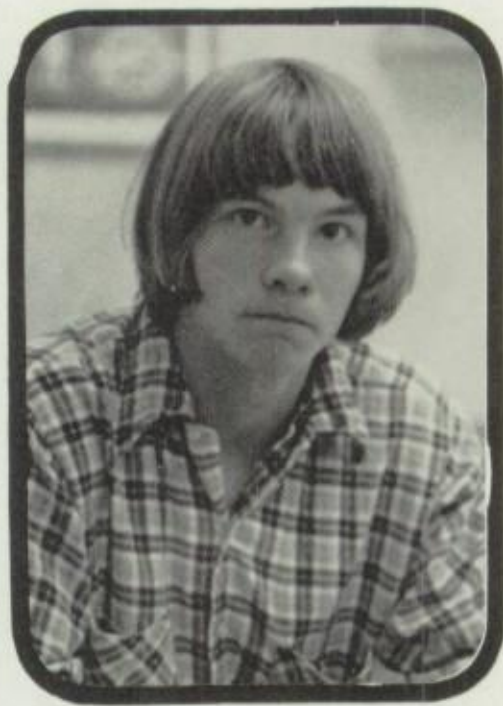

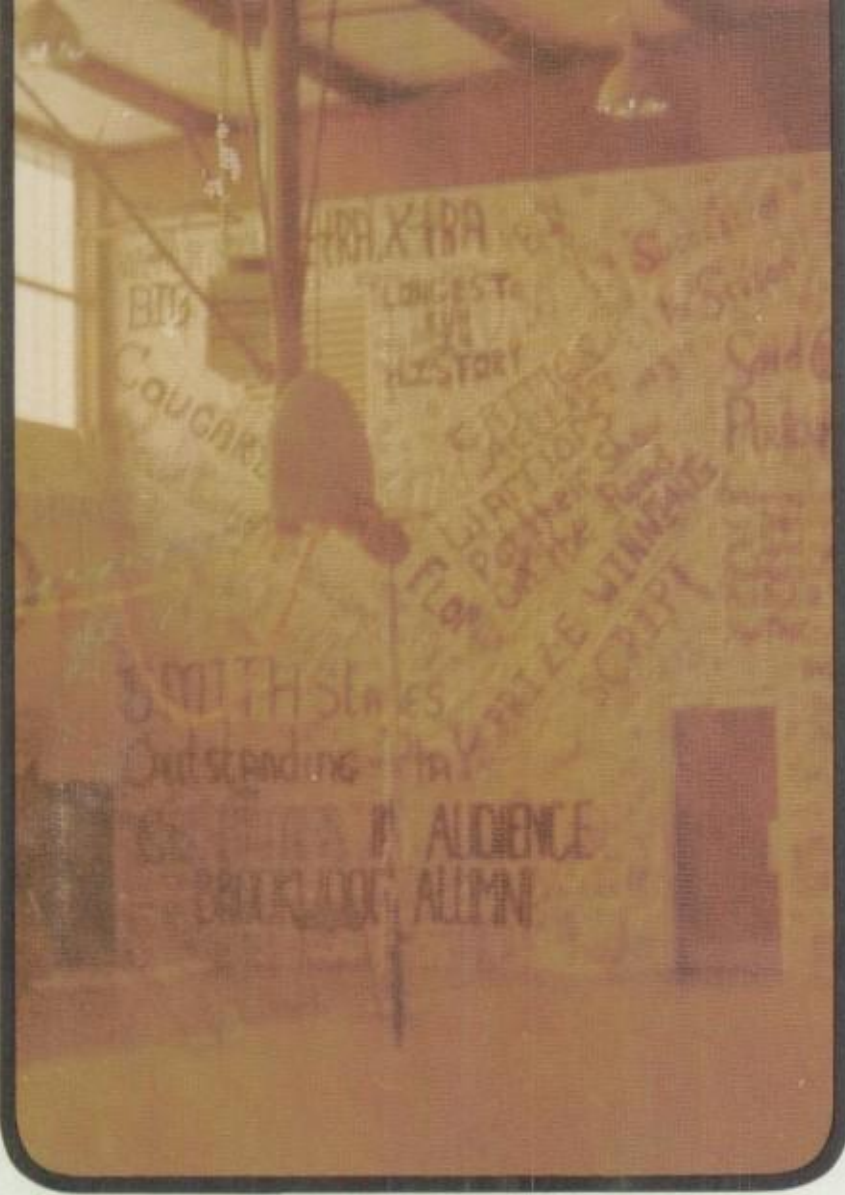

As an understudy, he contributes his time, talent and interest to the success of the play.

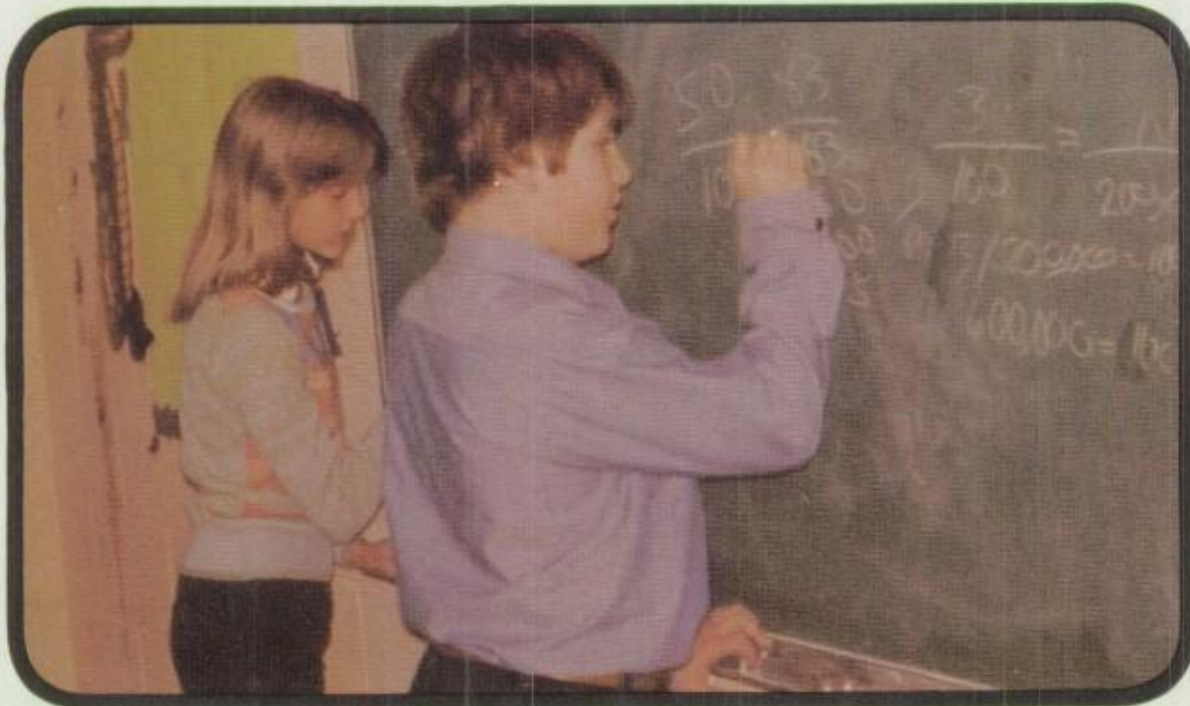

To the actor,
success might
mean public
praise and adoration,
or simply a private
moment of
satisfaction.

All the world's a stage. We are merely the players, playing out the role assigned to each in the play. Our role is designed so that those following us will be able to learn and grow from our experiences over these past twelve years. We remember these times with fondness. The Jr. Sr. and our senior trip to Fort Lauderdale are two of the happiest yet most exhausting memories we have of our time at Brookwood. Growing with the smiles of victory and the tears of defeat, we have finally reached the last act of the play. The time of decision has come, and we must choose between colleges and careers. As the curtain falls on graduation night, we will be leaving one play for another - where we will start with the role of stagehand, hoping to achieve our dreams of being the next stars.

JUNIORS

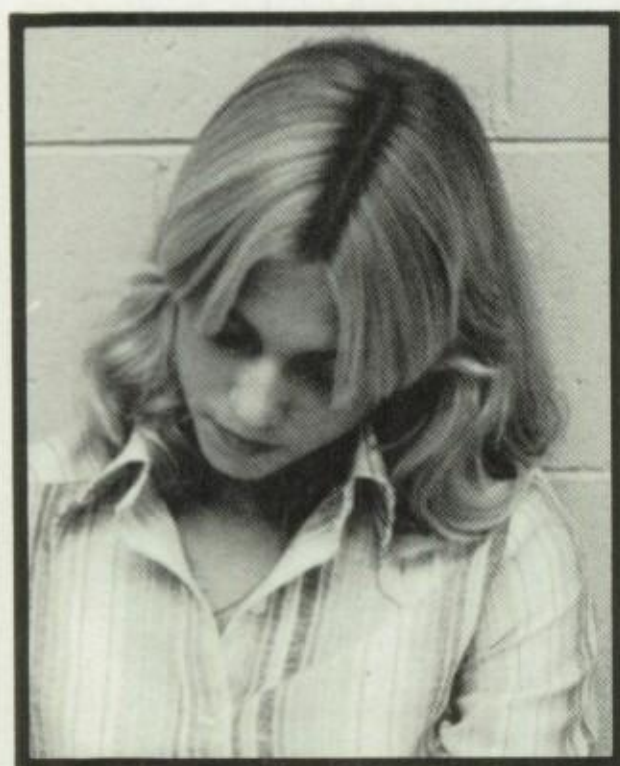

Linda Luckie - President

Bert Harper - Vice President

Cayla Miller - Secretary

Rick Singletary - Treasurer

To be a successful actor one must be energetic and very alert. Juniors must possess these same qualities, for the year of the eleventh grade is not an easy one. Much work is done in preparation for the senior year and college. SAT tests are given for the first time and decisions are having to be made. An energy crisis, although evident throughout the nation, was not present among our class. We sold ice cream, had a car wash, held a slave day, and sold delicious baked goods to raise money for our Jr.-Sr. dance. Through much effort and hard work, we have made this an enjoyable and prosperous year. We are looking forward to taking over the role of leaders in the year of 1978.

In preparation for our next year, we tenth graders have played our role to the hilt. We have spent time making money by putting on a halloween carnival and taking over the ice cream business from the Junior Class. We also wrote and performed a play on Mythology that we really enjoyed doing. Our role has been an exciting one, and we are now prepared to become the players of the junior class.

NOW that we are in the ninth grade, it has become necessary for us to really strive for good reviews. Permanent records now record any slip we make.

We are no longer able to depend on our elders to teach us step by step. Although the role of a young adult is not as easy to play as we thought, in junior high we newcomers to high school enjoy learning our parts. We have all made new friends, and some of us have even fallen in love for the first time. We are looking ahead at the next three years with anticipation.

Seven has always been considered a lucky number and it surely turned out to be true for us!! A giant step into Junior High from the sixth grade brought, along with new experiences, new responsibilities for us to learn to handle. Among these were getting to class on time, learning to push through crowded halls, and fighting for a top locker. However as we were really growing up, these were not such big problems.

Student Governmnet kicks up its heels as the curtains close on a successful year. S.G.A. provides many social activities for the benefit of the students. Homecoming and dances all require much hard work, and these students all do a very fine job of it. The officers are: Brad Alexander, Pres.; Mary Eubanks, V.P.; Hill Smith, Treas.; Robin Perry, Recording Secretary; Lynn Taylor, Corresponding Secretary.

The club also has fun by joining with the other Tri-Hi-Y clubs in volleyball games and basketball games. Mrs. Brenda Lucas is their sponsor.

CALLIOPE

RIGHT: Left to Right: Tom Muller, Sam Harper, Helen Milton, Ginny Groover, sponsor, Mrs. Ann Larson, Amy Stone, Lori Chapman, Blair Johnson, Tammy Ellis.

Once again the Literary staff has done a great job of putting together Brookwood's annual magazine, Calliope. The magazine consists of outstanding works by talented high school writers and artists and selected especially for use in Calliope. At Christmas the club also helped make the school more colorful by sponsoring the door decorating contest.

LAST ROW: Martha Scott, Editor Janet Sellers; Robin Perry, Jane Taylor, Laurie Fenlon.

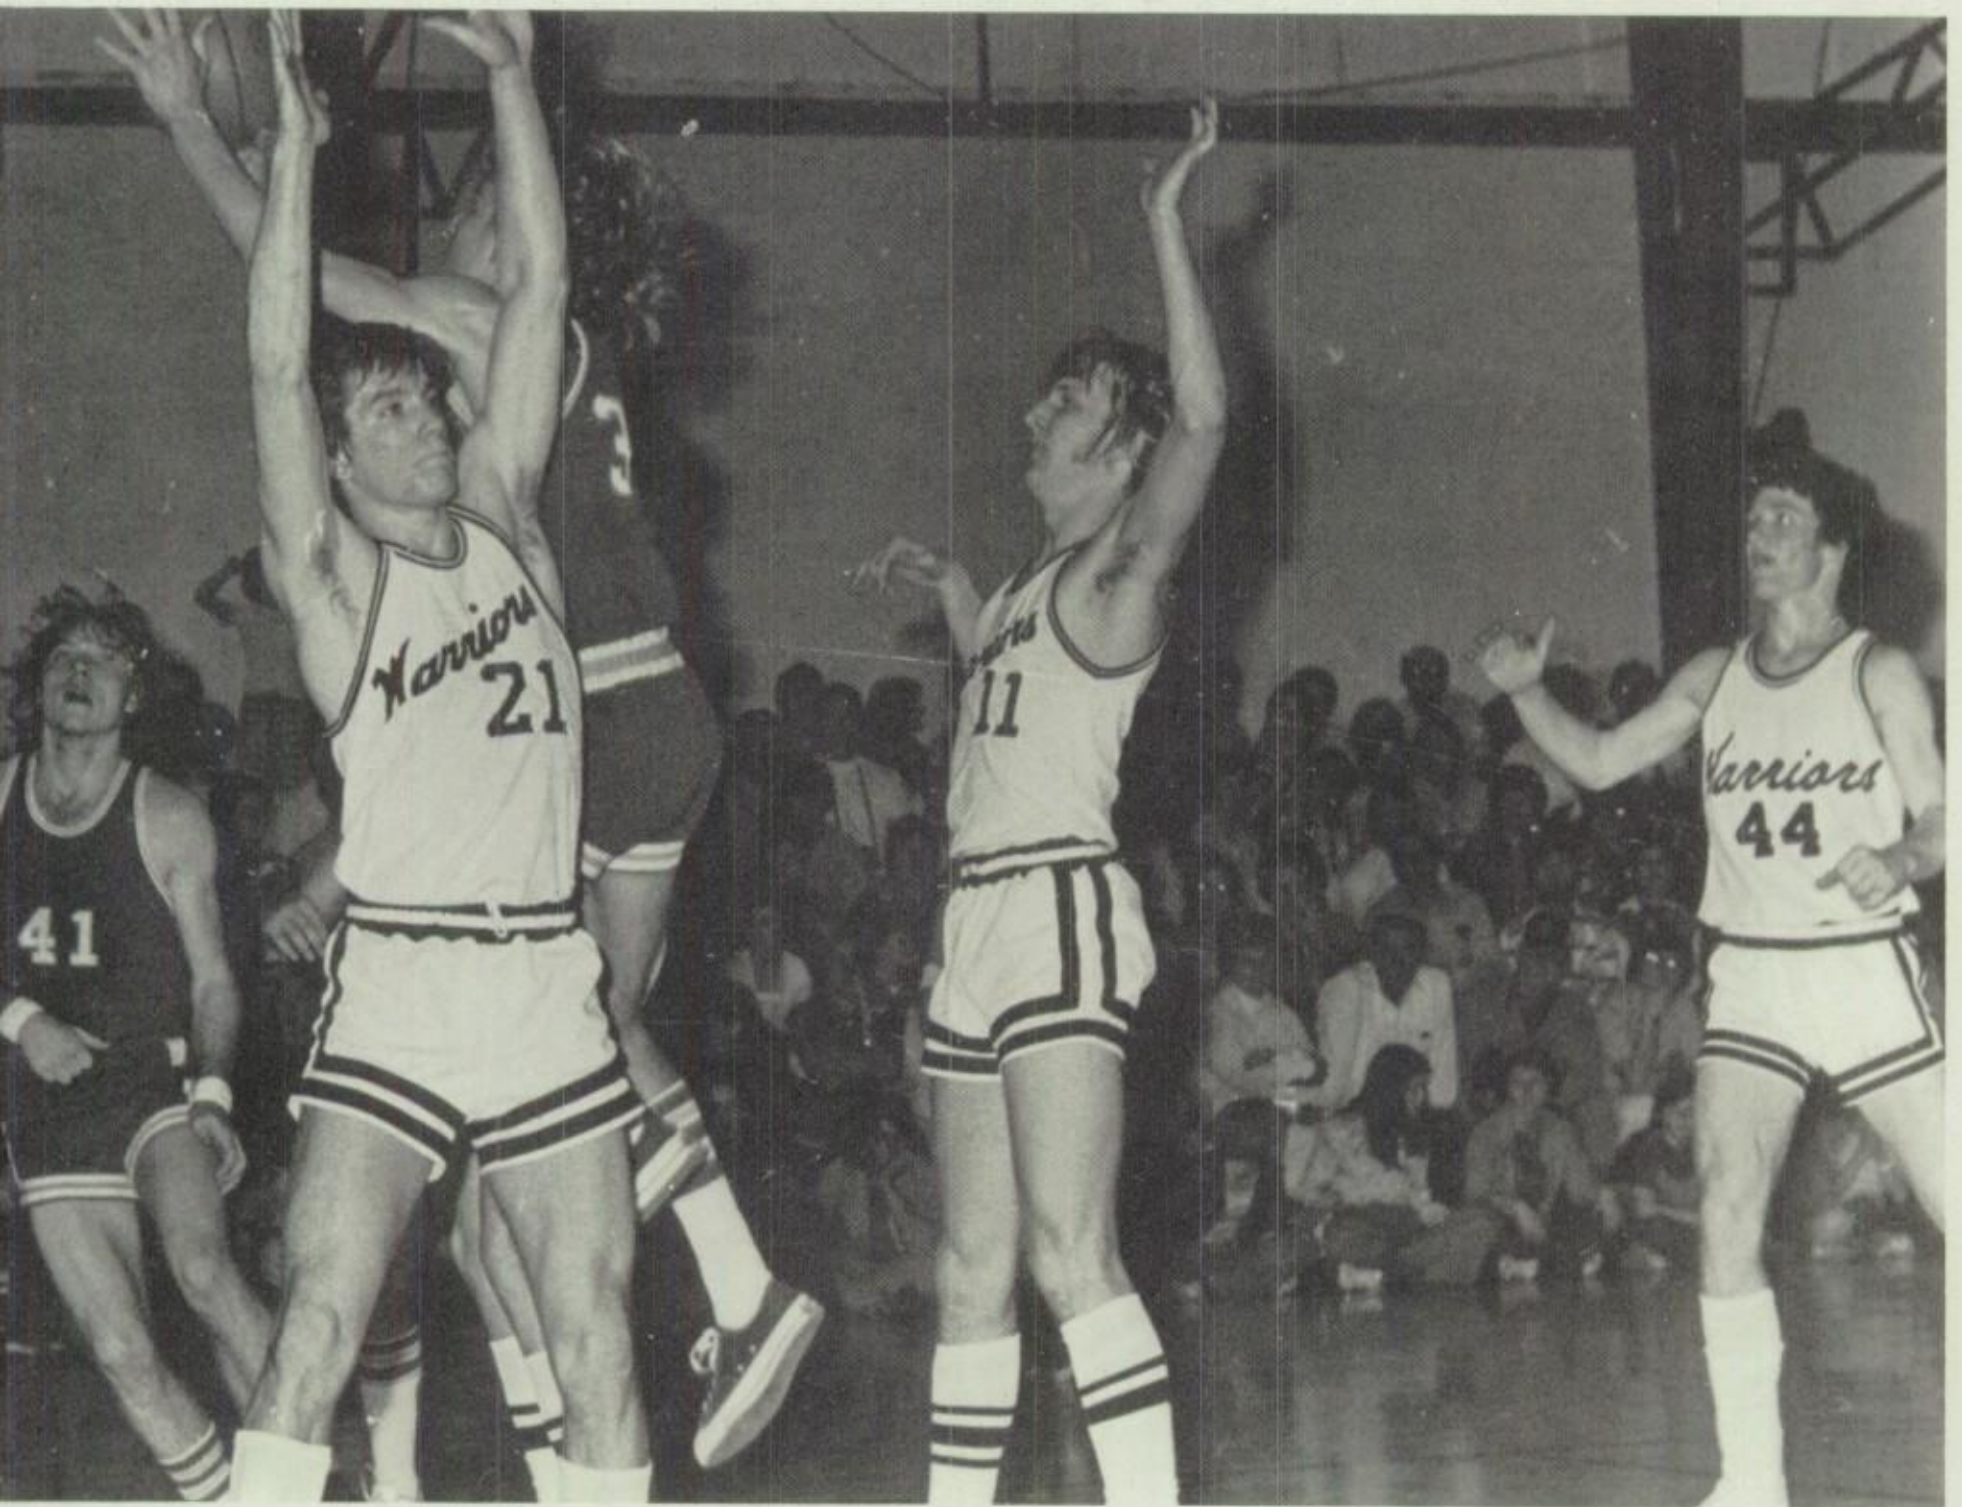

The annual staff's job is to bring together different aspects of campus life into a single publication. Publishing a yearbook is an enormous task, and the business staff is concerned with the money-raising projects. They sponsored the sweetheart contest and had fun with a gigantic, mouth-watering salad bar. Most of the creative staff's time, however, was spent frantically trying to meet publishing deadlines and badgering the photographers for more pictures. But it is all worth it when the finished product comes out, because the staff has a lot of fun producing the yearbook.

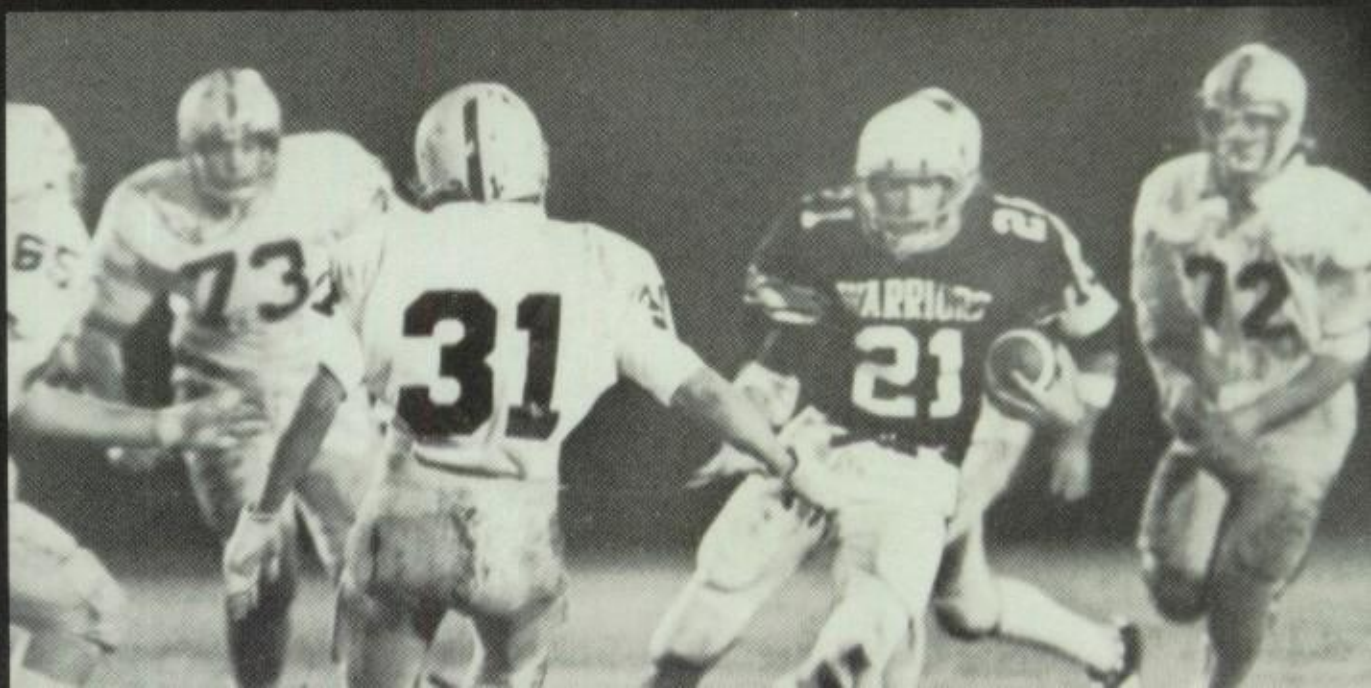

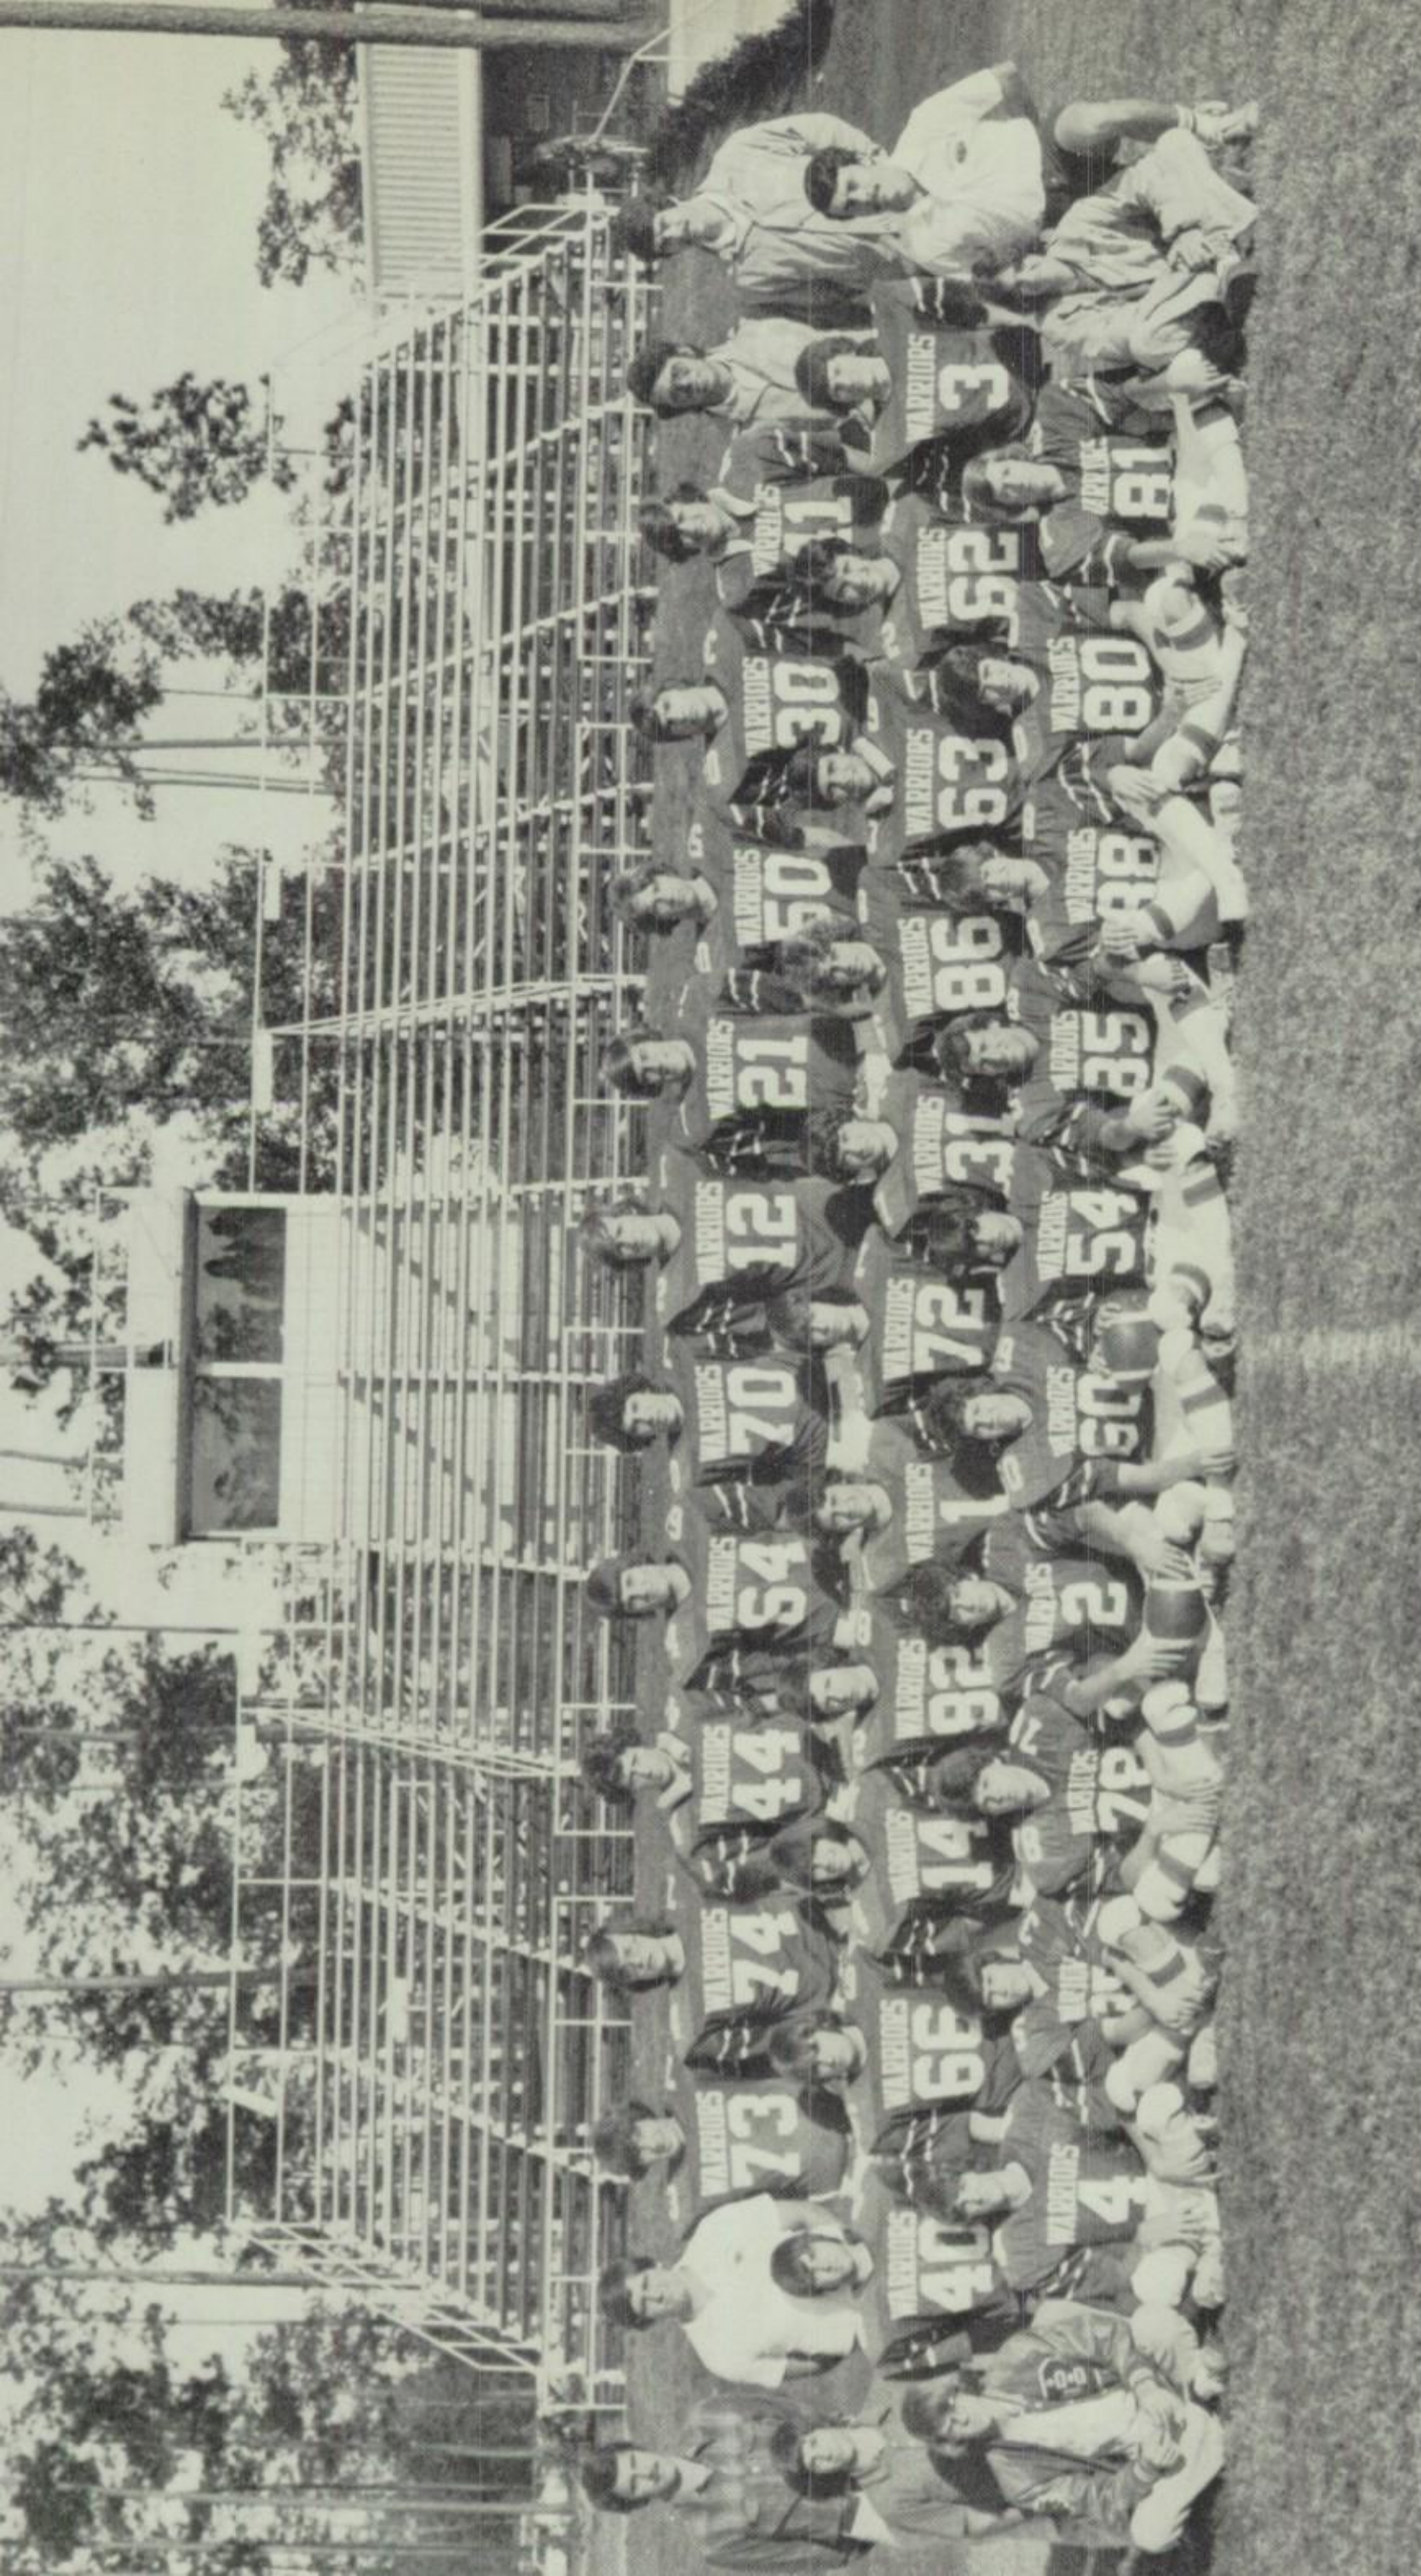

STUNT ARTISTS

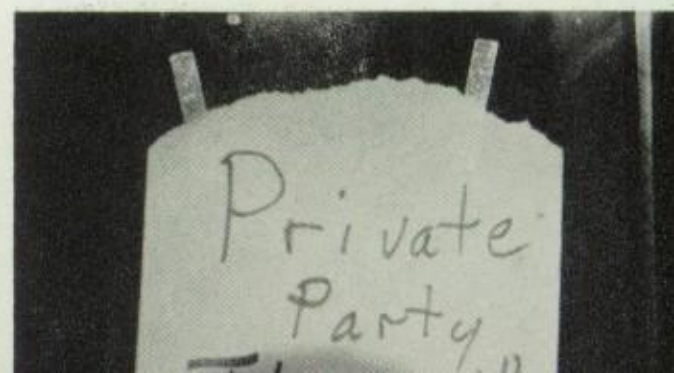

The remnants of the 1975 State Championship football team weren't, according to the critics' predictions, capable of producing a winning season in 1976. But, by some miracle, Coach Smith put together a football team that won Region 1A and headed for the South Georgia playoff. It took every one of the players on the 33-man team to attain this degree of success. The Brookwood Warriors of 1976 proved that they could reach the ultimate victory in the region with a relatively young team guided by the leadership of the talented upperclassmen.

This courage resulted in the ultimate climax of the season:

VICTORY OVER WESTBROOK: 22-12

1976 FOOTBALL CHEERLEADERS

The season began for them at Rollins, where they learned the ropes of the business. After working hard at NCA camp, they were ready for their debut in late August. This kicking, bouncing "Chorus Line" of flashy smiles and peppy voices was often caught stealing the show from the main attraction on the field. Many years of competing with their older and more experienced teammates have resulted in the outstanding recognition of Rand Malone and Hill Smith as All State team members.

One of the most outstanding qualities of our Girls' Varsity team is their steady improvement, and each year's record is a scale of this encouraging growth. They achieved a .500 mark this season, resulting in a 10-10 season. The close teamwork and total cooperation of this mixture of growing experience and young talent were revealed through their never-ending spirit. These girls showed skeptical fans that they possessed the characteristics of winners. Determination and desire were shared as they reached their goal: "Together with Pride."

Coach Riley continued his outstanding record in Junior Varsity coaching as he directed his team to an 8-3 total season record. They accomplished many goals during their season and also developed the skills necessary for victory.

Our girls' team also excelled in many ways during their 7-4 season. Coach Sterling gave them the encouragement needed, and in return they played some extraordinary basketball games. The future looks bright for our Varsity girls' team.

Our fine stock of underclassmen came to the rescue again as they won the state championship in golf for the third year in a row. They did this without a single senior on the team. Even though they began slowly, everyone got his game together towards the end of the season. Bill Hodges led the team composed of Mark Parker, Rick Singletary, Richard Middleton, and Rusty Miller with a sizzling 75 in the state tournament. Our fantastic golf team proved themselves on the links again.

Our baseball team had a successful season, despite the fact that so many team members were young and relatively inexperienced. With Coach Johnson's guidance - plus the experience this season provided them - they were no longer just "green talent." Many more baseball highlights will be seen because this team has just begun to show off their abilities. Hill and Brad's footsteps will not be easy to follow, but their remaining teammates will continue to perform with expertise and flair.

Although our softball team saw no victory during their 1977 season, they demonstrated many other qualities that make a team outstanding. Their teamwork, cooperation, and especially their ability to enjoy playing softball with each other give Brookwood an encouraging prediction for future seasons.

Our tennis team has always flourished because so many individuals possess the coordination and concentration necessary to master this sport. This year we sent six members to Region. Laurie Fenlon and Julia Arwood represented us in doubles, while Julie Bryan faced the awesome Robin Carter in singles. Rhett Butler and Brian Chason won Region doubles and went on to state along with Brad Alexander, our Region singles champion.

SPECIAL EFFECTS

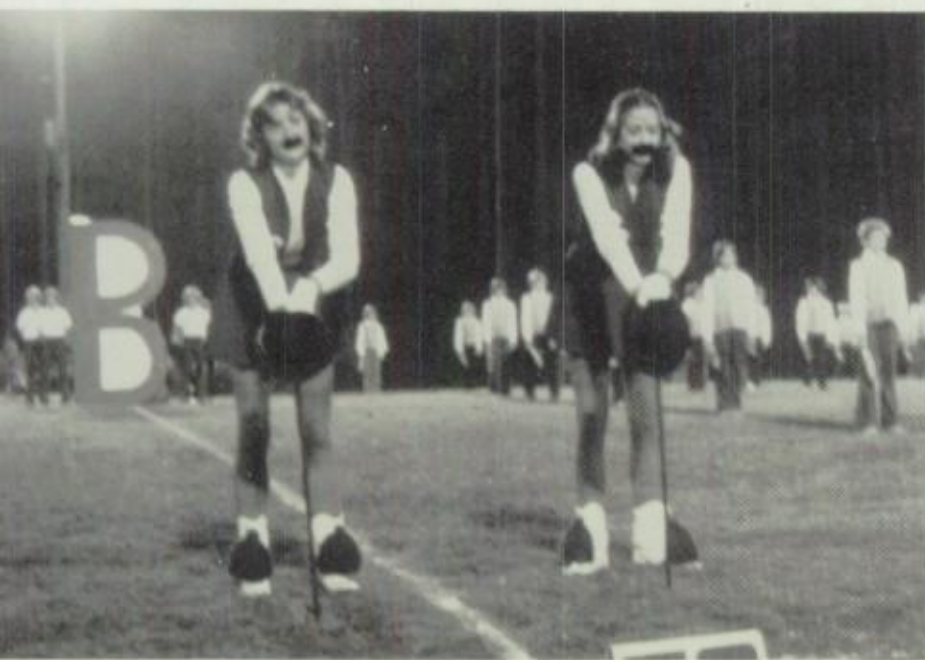

CAROL

HOMECOMING QUEEN '77

In an atmosphere of the OLD SOUTH a spectacular half-time show was performed for a packed homecoming crowd. Later that night, the spirit of the previous day's pep rally was rekindled, as fans enjoyed student government pizza and talked over the victory. The weekend came to a climatic close as the sound of "Cooper's Ironworks" filled the ears of dancers at the traditional homecoming affair.

ask any Brookwood boy what February 14 means to him and he'll say "beautiful girls" and sweethearts." The two are one and the same when the yearbook staff sponsors the annual Sweetheart Contest. Held at night this year for the first time, the contest featured seventeen lovely contestants who vied for top honors in daytime dresses, pantsuits, and evening gowns.

morning coffee at Box Hall Plantation provided the setting for the judges' interviews. When all the events were concluded, an astounded but radiant Robin Perry was crowned Miss Sweetheart 1977, with the court consisting of Julie Bryan, Janet Sellers, and Mary Eubanks.

Students Show Caring By Sharing

Student activities during the Christmas season gave a special emphasis on caring when the Sophomore Class "adopted" a welfare family. Clothes and gifts were collected, wrapped, and delivered by 32 enthusiastic tenth graders. The entire school continued the spirit of Christmas by participating in the Salvation

Army Canned Food Drive. Other traditional events included the Spanish Caroling, parties, and the door decorating contest. The theme of the Twelve Days of Christmas brought a 1st place ribbon to the Senior door.

Elementary Has A Fun And Successful Year

A busy elementary school produced actors and actresses in plays that were fun for all as the first grade ducks waddled across the stage and the third grade invited a Brontosaurus for a visit. The artwork of the students provided a colorful background for lunching faculty and kids in the cafeteria. Wind-up activities for the elementary school were numerous but always happy times. The Pre-First graduates received special diplomas to be cherished for 12 years. At the sixth grade graduation, Dawn Allen and Todd Bennett were the recipients of the citizenship trophies.

Again, Ms. Britton and the Drama Department produced a State-Winning play, "Prometheus." "Prometheus" captured the Region title in Tifton and had two actors cited as "Best Actress" and "Best Actor" - Robin Perry and Joe Bass. The cast then traveled to Statesboro for State Competition. As the winners were announced in Georgia Southern Auditorium, the cast sensed a sure victory.

Drama, Music, Talent Provide

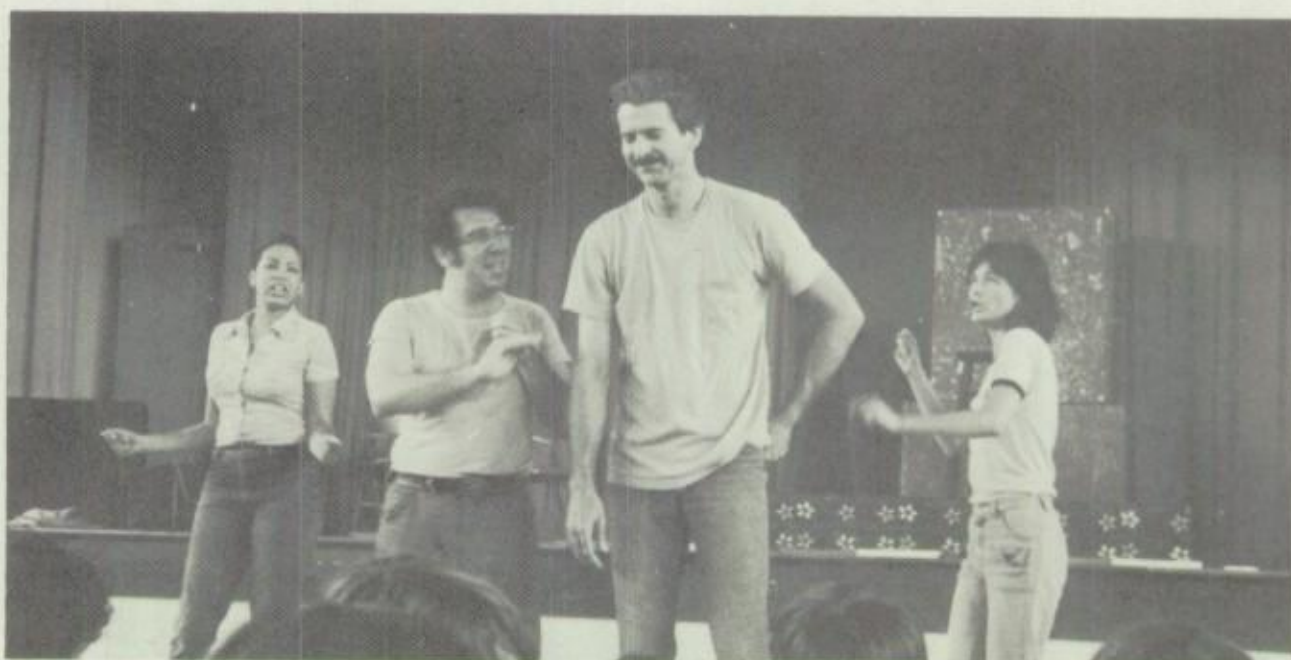

The drama classes provided the school with a touch of class. Various plays were produced throughout the year for different money-raising projects.

School With Cultural Events

Brookwood was pleased to have a variety of cultural events. Again, the Annual Staff provided the students with a talent show. Linda Chancey was announced the winner with the duet of Joe and Tammy Ellis capturing second place. The Blue Denim Band was third. Later in the year, Pace Academy Glee Club visited the school while touring Georgia. Another touring group, the Academy Theatre of Atlanta, showed the students what "Dreams" are.

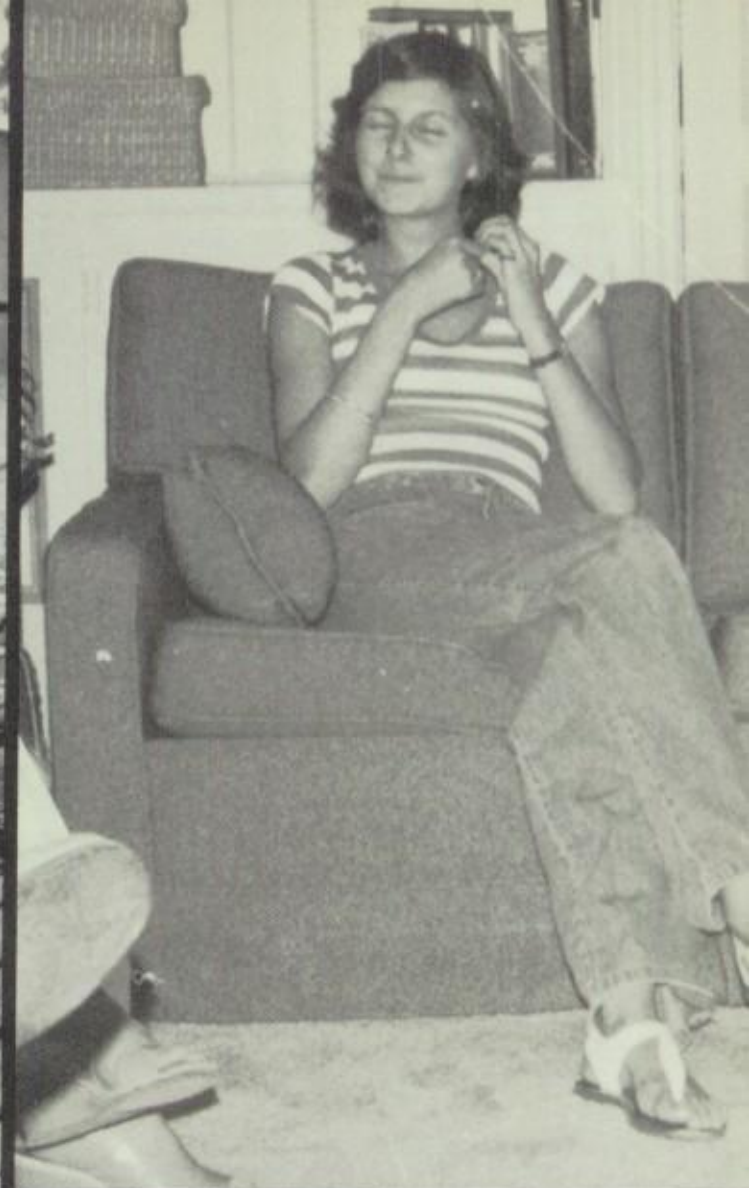

Evelyne Has Her Night

The traditional American Field Service dinner had a distinctive Belgian flair this spring. Our AFS exchange student, Evelyne Marsily from Antwerp, Belgium, was the honor guest as the local chapter entertained Brookwood parents and friends at a fund-raising dinner. Held in the fantastically-decorated gym, the dinner featured a menu highlighted by prime rib and fancy deserts and served by members of the Tri-Hi-Y. Evelyne delighted her audience with both her slides of her homeland and also her participation in a fun audience game with her American sister, Lynn Taylor. Through the successful evening the AFS chapter again proved its ingenuity in producing winners and its determination in securing annual funds for the organization.

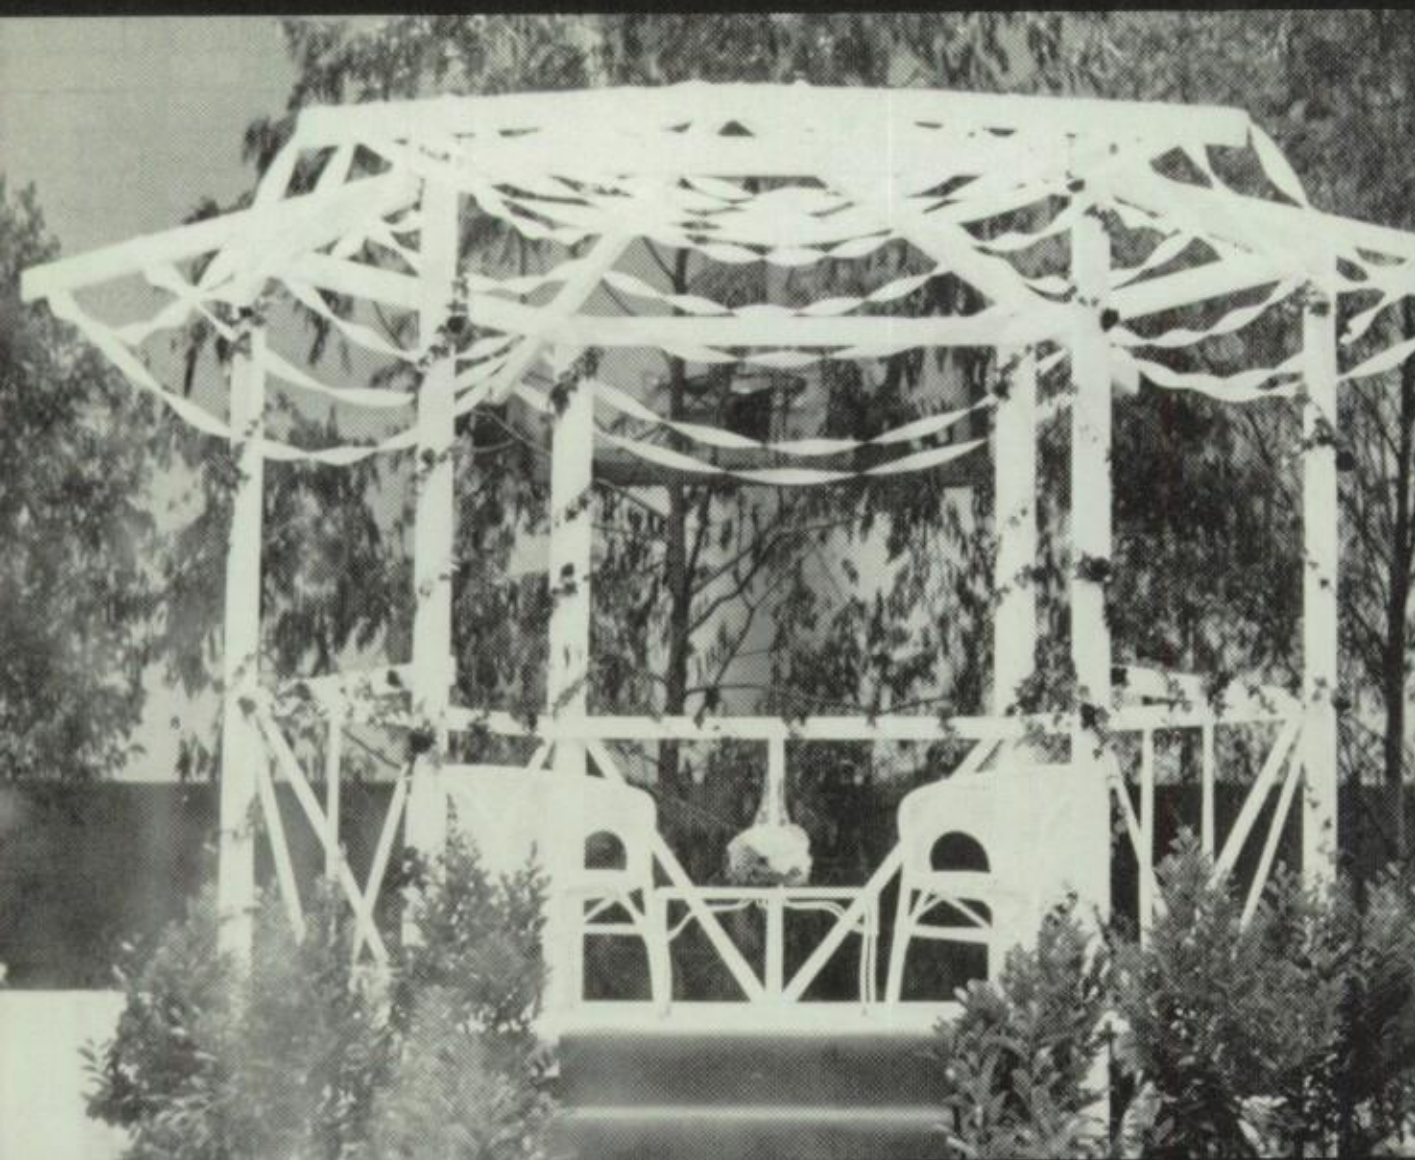

The Lady From Belgium Wins Hearts

As we students at Brookwood look back over the years to 1977, we will always remember a special face that helped to brighten our days. The face is that of our first female exchange student, Evelyne Marsily from Antwerp, Belgium. Evelyne has been an ever-smiling asset to the halls of Brookwood and to the communities nearby. While living with her American family, the Leon Taylors, Evelyne has been able to be a part of many activities at Brookwood. She was there with the girls' basketball team as never-ending support; she helped to capture the 1-act play state title as an actress and as a technician, she tried her hand at tennis, and was inducted into the National Honor Society. All in all, Evelyne will be an individual who will have contributed her time and a whole year of her life to the students here. May the Warrior Staff speak for the entire student body when it says that Evelyne Paule Renée Marie Marsily has been a joy to have around, and we will all hold a place in our hearts for her, even when she is far away. We will always remember her.

Juniors "Last Fling"

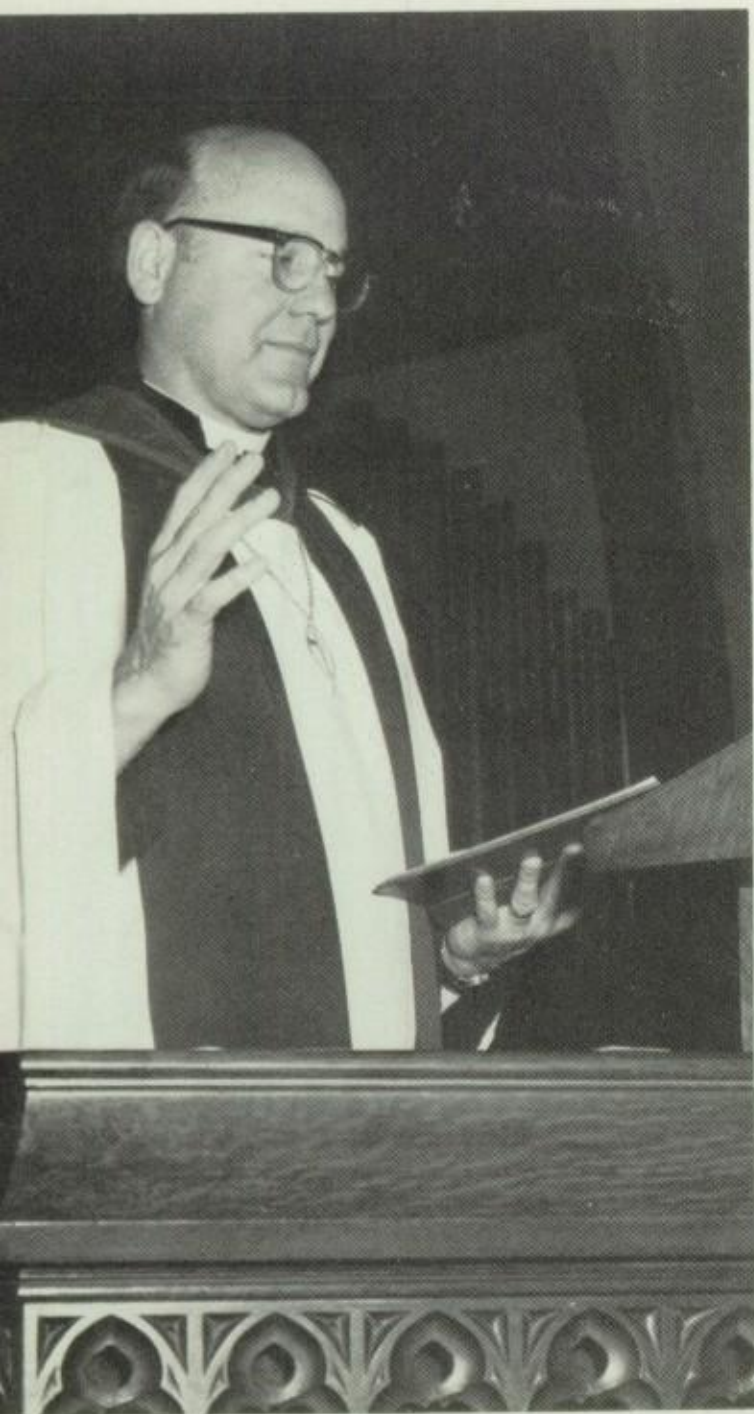

Furnish For Seniors

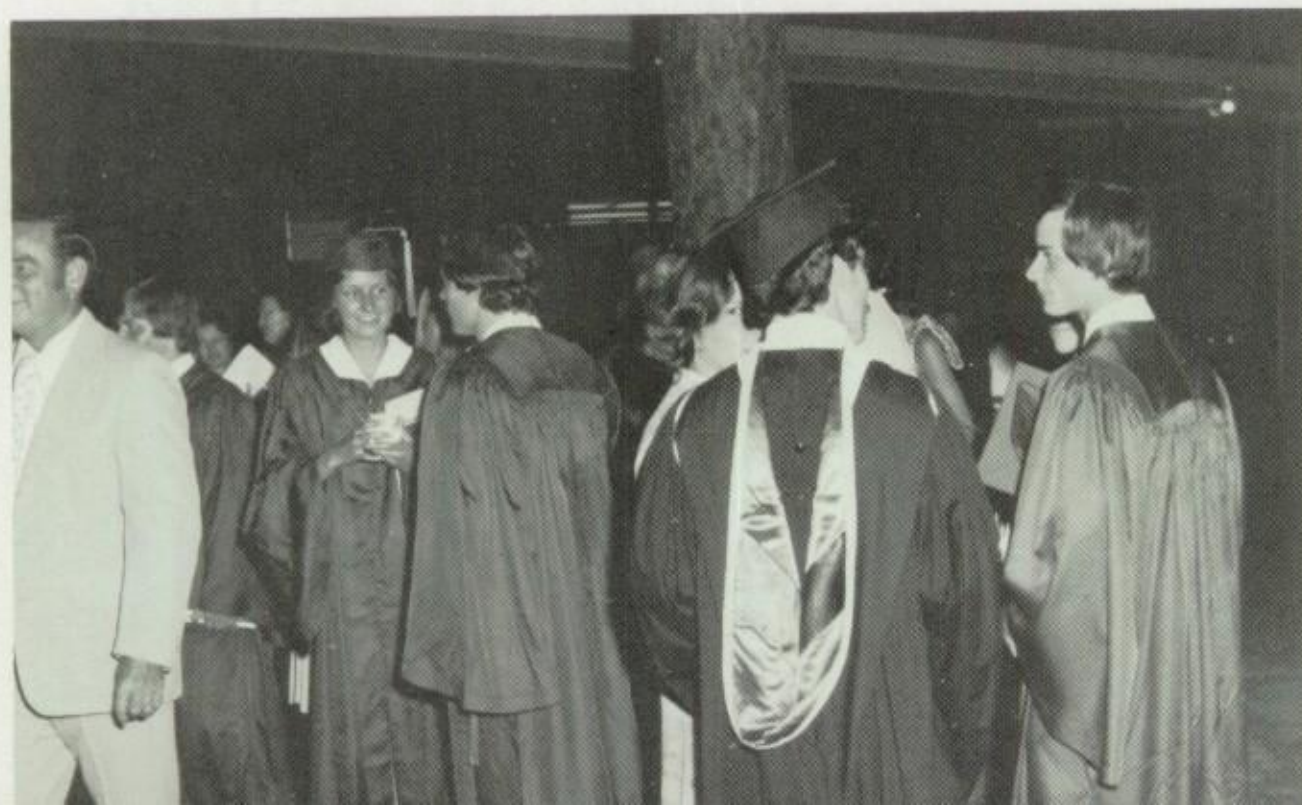

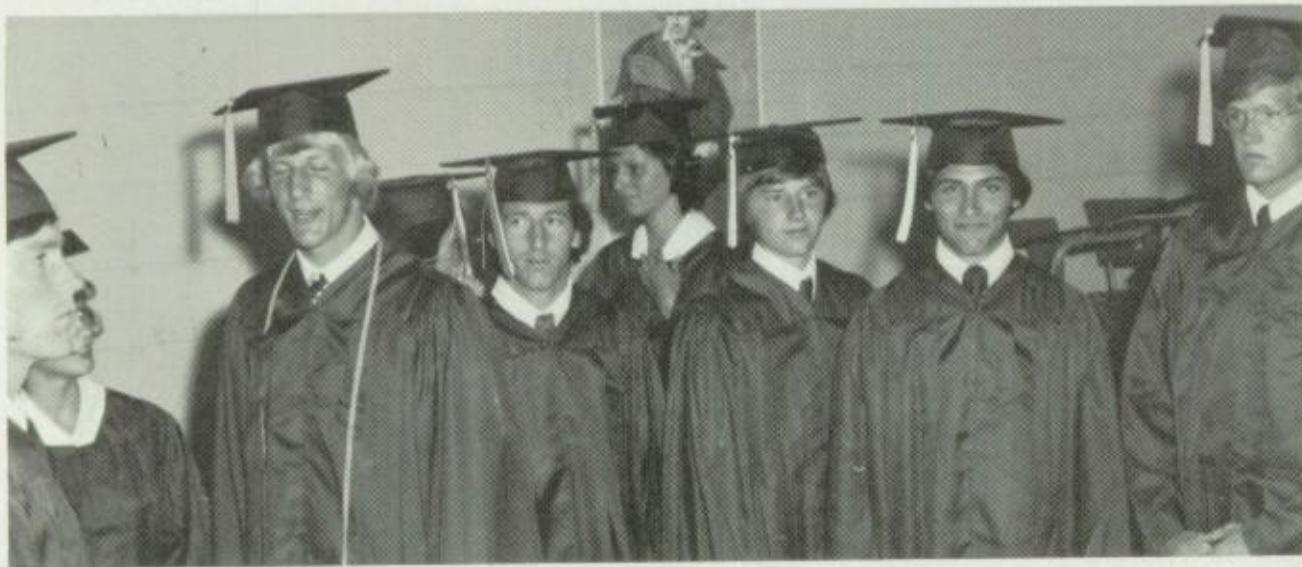

The Class of '78 showed flabbergasted prom-goers that they were able to create a wonderland - a "Saturday in the Park." As students danced to the familiar sound of "Paradise Lost" and ate goodies that were prepared, they all agreed that the "wicked" juniors had outdone themselves. As the memory book reminded us, the party was a wonderful "last fling" as the Seniors prepared to move on, and the Juniors prepared to move up.

Graduates Leave

The Rev. Arnold Bush

With Sound Advice

Dr. S. Walter Martin

As 24 faces emerged from the Stoddard Building on June 5, 1977, they were a mixture of joy and depression. The feelings had not seemed so strong at the Baccalaureate ceremonies at St. Thomas Episcopal Church, but as the night of graduation drew near, the emotions heightened.

The Seniors of '77 were then prepared to move on and become freshmen again as they discarded their high school robes and roles. So now, as the final act comes to a close, we give a standing ovation to the actors who have given a superior performance at Brookwood - the Class of 1977.

As the year ends, each person retains memories . . . We are all individuals, who unite together as one; The people who have been the living sparks of Brookwood must find new places for themselves — Each of us asks questions, and some remain unanswered. But we all remain individuals — which is a powerful force in our world! And so we bid farewell to you, in hopes that you will enjoy your 1977 yearbook.
